

Maine H1N1 Influenza (“Swine Flu”) Update

Data Summary for Tuesday, June 23, 2009, 3 PM

Flu info on the Internet: <http://www.maine.gov/dhhs/boh/swine-flu-2009.shtml>

6 new cases reported, 2 in Maine residents and 4 in out of state residents

Maine CDC and Department of Education partner to offer seasonal influenza vaccine in the fall

- Maine CDC and the Department of Education partner to offer seasonal influenza vaccine to children through interested local schools this fall. For more information on how you can become involved, check the health advisory on this subject at: <http://www.maine.gov/tools/whatsnew/attach.php?id=74633&an=1>

New Cases:

- Six new cases were reported today, all confirmed. 1 case was an adult from Lincoln, 1 case was an adult from Kennebec, and 4 cases were out of state residents diagnosed in Cumberland county.
- No new hospitalizations reported today. A total of 5 patients have been hospitalized, 1 patient remains hospitalized.
- 4 summer camps have had cases of H1N1 to date, involving 9 individuals.
- Although case counts are reported here, it is important to note that individual case data are useful only in that they are markers of the presence of H1N1 in a given county or geographical area. Many people with H1N1 are not tested, and their illness is not reflected in the case counts. Counties or regions with no reported cases may still be affected.

Current Case counts:

Case Counts	Confirmed	Probable
Maine	54	1
Out of State	17	0

- A total of 55 Maine residents have been diagnosed with H1N1 (54 confirmed and 1 probable). In addition, 17 out of state residents were diagnosed while visiting Maine, for a total of 72 diagnoses in the state.

Lab Testing:

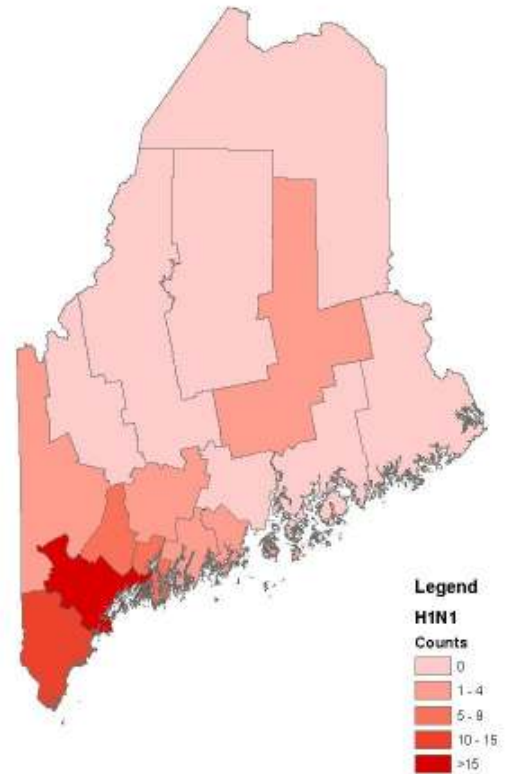

HETL numbers	# tests
New	36
Total	2106

H1N1 cases by county, Maine 2009
